Any cat which cannot be handled safely for examination will be rejected.

NB. Exhibitors must trim their cat's claws, if necessary, prior to the show

Section 5, Rule 4e

Cats which show obvious signs of lack of attention to hygiene, have sharp untrimmed claws, or in the opinion of the veterinary surgeons are in an unfit condition for show, must be rejected under Section A of the Veterinary Rejection form.

Note: Exhibitors should be allowed the opportunity to trim claws prior to a rejection, but should not expect the veterinary surgeon to do this for them at vetting-in.

BEST IN SHOW

With regard to the extra certificate that can be claimed for a cat being awarded overall best in show. The committee have decided that at this show there will be a Best Abyssinian and a Best Somali and will not be choosing an overall best in show between the two breeds.

Likewise there will be a Best Non-Pedigree HP and a Best Pedigree Pet HP with no overall being selected.

SHOW RULES AND REGULATIONS

The Show is held under the rules of the GCCF and is open to all. As a full copy of the rules are NOT included in this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. Copies are available from the GCCF, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG.

An announcement on the GCCF website or Abyssinian Cat Club website of any alterations or additions to this schedule or in these regulations shall be deemed sufficient notice.

ENTRY REQUIREMENTS / REGISTRATION

All Pedigree Cats, Kittens and Neuters exhibited at a GCCF Show must be registered. All registered exhibits which have changed hands must have been transferred to their new owner(s) at least 10 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 10 days before the Show. If the registration number has not been received when completing the entry form, write N.A.F. (Number Applied For) and your first choice of name in the appropriate column. Please forward the number or advise the Show Manager of any changes as soon as it is received.

Household Pets are unregistered cats of unknown parents and no cat that is registered may enter classes offered for them. All household pets over 6 months of age must be neutered.

The details on the entry form must be exactly as on the registration/transfer certificate. See Status of errors – what to expect section. Exhibitors are responsible for the correct description of their cats and for entering them in the correct classes. All exhibits (excluding Exhibition Pens) must be entered in the appropriate Open class and 3 others. No cat should be entered in more than 6 classes.

For Assessment entries, it would assist if the COLOUR of your exhibit is stated on the entry form as well as giving the full GEMS code (breed number). If the Preliminary Standard of Points is not included in the published GCCF booklet, it is the exhibitor's responsibility to provide a copy. This should be placed on the pen for the use of the Assessment class judge. Please READ and SIGN the declaration on the entry form. If the cat is jointly owned both owners must sign.

Photocopied forms are acceptable. Please include sae / postcard / email address for acknowledgement of entry.

Wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; wins as an Adult do not count when the exhibit is neutered and shown.

VETERINARY PROCEDURES.

Exhibits will be received at the entrance to the Show Hall from 8.00am to 9.45am on the morning of the Show. All exhibits must be brought to the Show in boxes, baskets or suitable containers and be accompanied by their owners or the owner's agent. Each exhibit will be examined by the Club's Hon. Veterinary Surgeons who are authorised to exclude any exhibits they consider unfit. No exhibit may be penned before being examined. Vetting In slips and admission passes will be issued at vetting in.

Exhibits must have clean ears and coats free from pests. No pregnant or lactating queens who have kitted within 12 weeks of the show may be exhibited. No exhibit that has been declawed will be accepted, neither will male cats which are either monorchid or cryptorchid.

ALL exhibits must have a current vaccination certificate against FIE, FVR, & FCV (cat flu). The full course, in accordance with the manufacturer's instructions must have been completed more than 7 days before the Show.

Please note that HOMEOPATHIC VACCINATION cannot be accepted (Section 4 Rule 4f). You will be asked to produce a current vaccination certificate for each exhibit and rejected under Section A without. Unfit exhibits will be removed by their owners and payment forfeited. If, in the Veterinary Surgeon's opinion it is desirable that all other cats from the same cattery/household and owner shall be debarred from the show. The Veterinary Surgeon's decision is final.

SKIN LESIONS : In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon. – stating the origin of the lesion. This was subject to agreement of the Duty Vet. THIS IS NO LONGER APPLICABLE and such letters are no longer accepted at shows. Any exhibitor presenting a cat with lesions indicative of ringworm is likely to be rejected at vetting in. The GCCF Veterinary Officer recommends that no cats are taken to shows with any lesions indicative of ringworm, however small.

CLEARANCE CERTIFICATES : Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain the reasons and accordingly notify the GCCF within 48 hours of the show, ensuring a copy is forwarded to the exhibitor concerned. Procedures for veterinary clearance are clearly stated in the GCCF Show Rules, but exhibitors whose cats have been rejected should please note the following points :

1. When sending a Clearance Certificate to the GCCF Veterinary Officer please enclose your copy of the rejection slip.
2. Do NOT send certificates by recorded delivery as this can cause considerable delays in the receipt. If acknowledgement of receipt is required please send a sae/postcard.
3. Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer. It is then recommended that this letter be taken to shows within a month of the issue of clearance.

PRESENTATION AND PENNING OF EXHIBITS

Take pride in presenting your exhibit. Make sure it is comfortable, warm and relaxed. Every exhibit must be provided with a clean white blanket or blankets (plain weave not cellular) or white Vetbed or like, a white sanitary tray with usual litter, a white water and food dish. Hot water bottles, cool packs and heat reflecting material are the only devices allowed and must be concealed by the blanket. All show equipment can be purchased at the Show. All exhibits must have water for the duration of the show but food containers must be removed from the pen before judging commences at 10am and can only be

returned after 12.30pm. None of the equipment in the competition pens must bear any distinguishing marks and Judges are instructed to pass any pen distinguished in any way. No written or printed matter of any kind other than official notices and award cards may be put on competitive pens. Exhibits actually received into the Show hall can only be removed with the permission of the Show Manager, prior to the closure of the show. Failure to observe this rule will lead to disqualification.

ADVICE TO EXHIBITORS

The use of grooming aids in the Show Hall, other than the use of a clean brush, comb or cloth is prohibited. No powder or grooming substance may be left in the coat of an exhibit.

Exhibitors are reminded that using products which change the appearance of the coat could lead to disqualification. Such preparations are commonly on open sale, (often by stallholders), but we advise

strongly against their use. The Committee cannot be held responsible for goods sold by stallholders at the show.

Battery operated fans may be dangerous and are not allowed inside or on top of pens without the show managers prior permission. Cold packs MAY be used in pens but MUST be covered by a white blanket. If the Hall is hot, please do not crowd the cats' pens as this prevents a flow of air. The Show Manager has the right to clear the show hall for the comfort of the cats. It would be appreciated if exhibitors would clip their cat's claws. This makes removing of the exhibits from the pens easier and helps to avoid Judges and Stewards getting scratched.

Photographs of exhibits may only be taken after permission has been obtained from the Show Manager and the exhibit's owner.

Any person whose cats have been rejected under Section C or D may not officiate as a Judge or Steward or in any other capacity that involves the handling of cats at any Show until a clearance certificate as required by GCCF has been obtained.

JUDGES

Judges are empowered to withhold any prizes or certificates in any class if the exhibits do not, in their opinion possess sufficient merit. Prizes will be awarded from the Judge's slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor must not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete. Care : this may include Best In Show judging later in the day.

No person may steward at all for any Judge under whom he/she or a member of her household is exhibiting in a Breed Class. This shall include those cats not entered in the Breed class, but to be considered for Best Of Breed.

COUNTERSIGNING OF CERTIFICATES : In the event of a change of Judge of a Breed class occurring after the closing date for the show entries and provided the exhibitor informs the Show Manager prior to judging commencing, that a Certificate has previously been awarded by the replacement Judge; the Show Manager shall appoint one other judge who shall judge the cat and, if considered worthy, countersign the Certificate which shall then count towards Championship status.

CLUB'S SHOW RULES

No exhibitor or visitor may remove an official notice from any pen. All exhibitors' property is left in the Show Hall at the owner's risk. The Committee of The Abyssinian Cat Club reserve the right to :

1. Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint other Judges as deemed necessary.
2. Fix and limit the number of entries.
3. Cancel, amalgamate or divide classes.
4. To accept or refuse exhibit entry without giving a reason.
5. Refuse admission to the Show Hall without giving a reason.
6. Publish a catalogue of the Show containing information as to the exhibits and names and addresses of exhibitors.

These may be sold to members of the public.

7. Disqualify cats entered in the wrong classes by the exhibitor.

8. Retain a percentage of the entry fees to cover essential expenses in the event of the Show being cancelled, for whatever reason.

NEW MEMBERS

To be eligible for the reduced members' rates and to be eligible for any of the Club's cups and trophies, we must have received a properly completed application for membership BEFORE THE CLOSING DATE. You may send it (with the correct fees, please) with your Show entry or direct to the Membership Secretary. See application form on the web site.

STATUS OF ERRORS – WHAT TO EXPECT

MINOR ERRORS – These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry before the date of the show.

Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include : a) spelling errors.

b) separation of names that should be one word and vice versa.

c) administrative/breeders' prefix omitted from, or partially incorrect name given for, exhibit.

d) overseas title preceding the name of an exhibit, sire, dam, etc.

e) full GEMS code (breed number) known, but not given.

f) sire and dam reversed or named incorrectly.

g) breeder joint when single and vice versa.

INCORRECT DATE OF BIRTH – This is usually classified as a minor spelling error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS : Kittens not less than 14 weeks and under 9 calendar months on the date of the show.

Adults not less than 9 calendar months on the date of the show.

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER – If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise :

EXHIBIT Totally incorrect name

REGISTERED OWNER Joint when they should be single and vice versa

Exhibitor Declaration not signed by registered owner(s)

N.B. The signatory must be the registered owner(s) of the cat and not necessarily the person who takes the cat to the show.

BREEDER Totally incorrect name or names. The breeder is always the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW. These entries will be disqualified. Remember that the effective date of all registrations and transfers is the first date of valid receipt by the GCCF and if you enclose an acknowledgement card with your application, this will be stamped with the GCCF office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE

THE DATE OF THE SHOW. Entries will be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT OR INELIGIBILITY OF CLASS ENTRY. These will be disqualified from the class concerned – so always check with the Show Manager if you are in doubt about which classes to enter. If a GEMS code (breed number) is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand Class must have qualified on or before the published closing date of the show.

CAT REGISTERED ON THE REFERENCE REGISTER – No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are on the Reference Register as long as this was the only reason for the Reference registration.

*** If in doubt, please consult the Show Manager, before sending in your entry ***
